

## Upholstery Pattern Selection Guide

### How to use this Upholstery Pattern Selection Guide\*:

1. Choose one pattern from standard, options A,B,C or D (minimum fabric requirements may apply.)
2. Indicate your material selections for each section. Materials can be the same or different, but each area must have a fabric assigned to it.
3. Indicate if you would like a headrest panel (options C & D only) or embroidery. If you have selected a headrest panel, please indicate your material selection. If you choose logo embroidery, please send the logo to your American Seating customer service representative. (Options available at an upcharge.)
4. Choose from one of the two back upholstery options and indicate your material selection(s).

\* Upholstery options include approved wool, flat woven, vinyl or leather. Please include the fabric suppliers part number. All fabrics are subject to American Seating testing and approval. Pricing is dependent on volume and fabric minimums. (Fabrics should be from the same supplier.)

Contact an American Seating sales representative for additional details or for custom pattern requests.

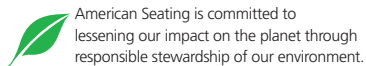

Directional fabrics and fabric with patterns that require specific placement must be identified in detail and furnished to American Seating with orientation directions or placement requirements at the time the order is placed. These fabrics may require additional cost due to handling and/or material usage. Materials specified must pass American Seating testing requirements and be approved for our manufacturing process. Minimum fabric requirements may apply.

Embroidery art must be provided by customer.

Since 1886, American Seating has set the standard for product design, durability and comfort. Today, we remain committed to exceeding the expectations of our customers. Our achievements serve as the platform for new and innovative products that continue to be the benchmark of our industry.
